The audit carried out to confirm that your company's quality assurance system complies with AQAP-2110 requirements has been completed.

It is certified that your company's quality assurance system explained in Quality Manual KEK-01 Rev:04 dated on 30 Mart 2026 and complies with AQAP-2110 requirements for production mentioned below.

“Computer programming, research and development, software development, maintenance, system integration, network and database management.”

This certificate is valid until 05 May 2029 by 17.00 o'clock.

Ministry of National Defence of the Republic of Türkiye Quality Assurance Authority will continuously monitor and audit effectiveness and application of the quality assurance system.

This certificate may be subject to cancellation if changes and renewals to be made in the system defined in Quality Manual presented to the Ministry of National Defence are not submitted to and approved by Ministry of National Defence previously or in the case that results of reviews are negative.

Volkan AYDIN
Brigadier General
Acting General Manager of Procurement
